Federal Bar Association, San Diego Chapter: Large Firm Supporter

Dear Potential Supporter:

Thank you for your consideration of supporting the San Diego Chapter of the Federal Bar Association (San Diego FBA). Our law firm supporters are critical to the San Diego FBA's programs and mission, and we strive to provide timely and useful programs to our professional community.

We invite your firm, like many others in the San Diego community, to become a large firm supporter of our Chapter. The cost of your support for 2022 is \$2,500. As a San Diego FBA supporter, your firm will have its logo prominently placed on our website and receive tickets/seats for the following in-person events:

➤ **Annual Conference** (6 tickets/seats): In 2021, the San Diego FBA's Annual Conference focused on giving the practitioner a "Toolkit" for developing strategies to confront structural inequalities and to work toward greater diversity, equality, and inclusion in the legal community. This year we plan on providing yet another Annual Conference offering CLE that is pertinent to the issues that are facing practitioners at all levels of experience in our legal community.

➤ **State of the District Luncheon** (3 tickets/seats): Held annually, the San Diego FBA's State of the District Luncheon features the Chief Judges' State of the District Report as well as the presentation of the Hon. David H. Bartick Award for Civility. The Luncheon provides an opportunity to stay updated on the workings of our District in a congenial atmosphere with colleagues and members of the local bench.

There may be additional opportunities, to be determined as the year unfolds. Please feel free to contact me if you have any questions. We wish you and your firm a successful beginning to 2022 and we look forward to connecting with your talented group of attorneys!

Sincerely,

Hector J. Tamayo
