GOALS

• How Unconscious Biases May Lead to Microaggressions
• Recognizing Microaggressions
• Why Microaggressions Are Harmful
• Interrupting Microaggressions
1 | UNCONSCIOUS BIAS
Take a moment to write down one identity group to which you belong.

Then come up with three positive traits (or privileges) and three negative traits (burdens or challenges) that come with membership in that group.

This exercise is taken from Chapter 6 of Margaret Reuter & Carwina Weng's book, Navigating Cultural Differences, LEARNING FROM PRACTICE (3d, Ed.) (2015).
• Take a Moment to Consider:
  – Which traits (positive or negative) came from your experience as a person in that group?
  – Which of them come from outside of that group?
• Why is That Important?
Bias in judgment and/or behavior that results from *subtle cognitive processes* (e.g., implicit attitudes and implicit stereotypes) that often *operate at a level below conscious awareness and without intentional control*. 
WHO HAS UNCONSCIOUS BIASES?

• Everyone, including people who believe that prejudice and discrimination are wrong

2 | RECOGNIZING MICROAGGRESSIONS
WHAT IS A MICROAGGRESSION?

- The everyday verbal, nonverbal, and environmental slights, snubs, or insults, whether intentional or unintentional, that communicate hostile, derogatory, or negative messages to target persons based solely upon their marginalized group membership. (Diversity in the Classroom, UCLA Diversity and Faculty Development, 2014).
Types of Microaggressions

Microassault: Explicit derogations and purposeful discriminatory actions (essentially explicit racism or discrimination).

Microinsult: Behavioral or verbal remarks that convey rudeness, insensitivity, and demean a person’s heritage or identity. Often subtle snubs outside the level of awareness of the perpetrator, microinsults clearly convey a hidden insulting message to the recipient.

Microinvalidation: Verbal comments or behaviors that exclude, negate, or nullify the psychological thoughts, feelings, or experiential reality of a person; they are likely unintentional.

5 | LET'S PRACTICE
You are an attorney of Caucasian descent and you and your colleague of African-American descent have been preparing for a criminal trial for weeks. On the first day of the trial, you and your colleague enter the courtroom, both dressed in your best suits, and the judge assumes your colleague is the defendant and directs him to the defendant’s seat at the table.
You join your supervisor in an interview of a candidate for a job. Despite the student, who is Latina, having been born in the U.S., your supervisor expresses admiration for her command of the English language, “complimenting” her for being so articulate and well spoken.
How to Avoid Perpetuating Microaggressions

• Slow Down
• Be Willing to Talk About It
• Apologize When Necessary
• Educate Yourself
